Customer Reviews

Bought this for my 87YO mother, so she could see if she would want to proceed with similar training for the children at church. She loves the variety songs in the book. And getting + mark from MY mother is pretty difficult!

If you are beginning to learn to play the recorder, this book is for you. It teaches the basics and is easy to understand and follow.

This was a gift for a 8 year old. He loves it and is enjoying learning how to play it correctly.

Received right on time. Very helpful for my class. Thank you!

Very good book

The book is colorful and of good material but the songs are just... annoying!

Works fine
