Enigma Variations And Pomp And Circumstance Marches In Full Score (Dover Music Scores)

Synopsis

Authoritative British editions of the 14 Variations, rich with melody and vibrant rhythms, each revealing a facet of a central theme never fully expressed and each depicting an unnamed friend of the composer. Four of the 5 stirring Pomp and Circumstance Marches are included here as well. Filled with a distinctively English grandeur, they are popular everywhere and have been frequently recorded.

Customer Reviews

Two of the most popular works by Sir Edward Elgar(1857-1934) are the "Enigma Variations" (a theme followed by 14 variations -1-12 being musical sketches of his friends, the 13th for his wife with the final variation depicting the composer himself) and the 5 "Pomp And Circumstance" marches. I feel that Dover presents these works (in full score) in a way that is very clearly read and well presented. The only problem I have with this compilation of Elgar's works has to do with the omission of Pomp And Circumstance March No. 5 (in C Major). Where is it? No. 5's liveliness is sorely missing from this group of 5 marches that Elgar wrote for many various occasions (not just for graduations). Regardless, I highly recommend buying this score collection. Enjoy the rich orchestration that Elgar uses in his various works. You'll see why Elgar is described as the Englishman who was credited as being one of the last true Romantic composers. Was this review helpful to you?

This edition of Elgar's Enigma Variations is a very high quality print with a reasonable price. Both for study or performance purposes it is a choice to everyones personal library.

...except that they don't include the 5th P&C march for some reason. Everything else is wonderful, very easy to read!
