Fantastic Ornament, Series Two: 118 Designs And Motifs (Dover Pictorial Archive)

Synopsis

Abounding in cherubs, nymphs, soldiers, kings, dragons, and other flamboyant motifs, this compilation of ornamental designs was originally published in Paris during the 1840s. The extravagant images are based on a wide variety of historical examples that date back as far as the 1500s and include imaginative renderings by Watteau and D'Arcy. Created as embellishments for walls, arms and armor, and everyday objects, these designs remain eminently useful for graphic and decorative purposes. Professional and amateur artists and designers as well as cardmakers and scrapbookers will find this compilation a practical resource of versatile and royalty-free art. This volume is the successor to Dover Publications' Fantastic Ornament, another modern reprint of a rare nineteenth-century publication.

Customer Reviews

Better selection of designs than the series 1 book with 110 designs. It even includes a whole alphabet template. Not a bad buy.

It's alright I just skimmed through the book I can't say I like it or I don't like it but I'll say it's ok maybe one day I'll use some of its ideas thank you

A GOOGLE search gives better pictures and is free. I am very disappointed, and I would not recommend. Thank you!

This book was for a gift and I got a misprinted copy. It was picked from the reject pile...NOT HAPPY!!!

Excellent book of intricate patterns. Exactly what I was hoping for!

another resource book for when my creative juices snag

Good, classic design ideas.

Met expectations
