O4967 - Sigmund Hering - Etudes In All The Major And Minor Keys For Trumpet

Synopsis

Etudes in All the Major and Minor Keys for trumpet is a collection of 32 works designed for trumpeters who have just reached an advanced level of talent. The exercises include arpeggio studies, double and triple tonguing, some larger interval passages at fast tempi, articulation studies, standard simple and compound meters, but also including 3/8, 4/8, 9/8. Most etudes tend to feature a particular rhythmic pattern and create an interest through harmonic, dynamic, and articulation changes.

Customer Reviews

This is one of the books you would love to have in your library for trumpet majors. Guided and proving practice sessions for the perfection of mastering the trumpet.

This is a great book for learning and practicing Major and Minor scales. Now required for all of my students!
