Martyrdom: The Coloring Book

Synopsis

The lives of the saints are filled with inspiring, life-changing momentsâ ”but the deaths of the martyrs are where youâ™ll find the âœOh, hell no!â • moments of history. This adult (very adult, as the body count will quickly indicate) coloring book gives aspiring crayon and paper artists the chance to hone their craft while also buffing up their knowledge of Catholic history and legends. Each intricately detailed illustration from acclaimed graphic artist Julia GfrÃ¶rer leaves plenty of room for interpretation. And the attending stories will go down pretty easy at cocktail hours as well.

Customer Reviews

This is a great coloring book, with nice little blurbs on each saint, and some saints that aren't as well known (St. Foy I'm looking at you!) I look forward to coloring it in.

Big hit with my millennial kid.

Yeah, we thought it was good too.

Julia Gfrorer is the perfection that destroys. She is the apotheosis of mutilation. She is apical heretic. She is the mute hierophant. She is the flame-proof warlock. Hallie Fryd, here, is her demon familiar. "Martyrdom, the Coloring Book" is a delightfully necrotic confection that successfully intermingles a kind of tightly orchestrated visual and narrative jouissance with the drolleries of

historicist didacticism; leavening both of these registers with a subtly suggestive matrix of subversive desire.
