The Purpose Driven Life: What On Earth Am I Here For?

Synopsis

Translated into over 50 languages, *The Purpose Driven Life* is far more than just a book; it is a guide to a spiritual journey that has transformed millions of lives. Once you take this journey, you'll never be the same again. On your journey you'll find the answers to 3 of life's most important questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Transform your life. Start your journey today. Please Note: this audio references accompanying material that is not included with the purchase of the audiobook.

ASIN: B00A2IDPW0

Best Sellers Rank: #4 in Books > Audible Audiobooks > Religion & Spirituality > Christianity #15 in Books > Christian Books & Bibles > Christian Living > Spiritual Growth #172 in Books > Religion & Spirituality

Customer Reviews

It has been 10 years since the publication of *The Purpose-Driven Life*, the book that topped best-seller lists for months and sold more than 32 million copies. Rick Warren's simple formula linking each person's purpose to five classic functions of the church--worship, fellowship, discipleship, ministry, and mission--has helped countless people re-examine their lives and deepen their faith. When the book originally released in 2002, I was editorial director at a Christian publishing house and had previously served as a pastor for several years. As a "professional Christian," I was skeptical that Warren's seemingly simplistic approach had much to offer. But when the church I attended did a Purpose-Driven campaign, I dutifully agreed to read a chapter a day. I was immediately hooked by Warren's unassuming voice and clear, biblical message. I read the entire book in two days and was highly motivated to re-engage in the practice of spiritual disciplines and

ministry. Since then I've used the book as the basis of a small-group study on two occasions. This material continues to connect with basic questions people have about how to live a meaningful life. Now Zondervan has released an anniversary edition in an attempt to reach a new generation of readers. The expanded edition includes two additional chapters, plus online supplemental resources: a one-minute video introduction of each chapter, and a roughly 60-minute audio recording of a Sunday sermon by Warren to accompany each of the 42 chapters. The bonus materials don't add much value to the book, however. The chapters really don't need an introduction, and I can't imagine anyone listening to 42 hour-long sermons in addition to doing a six-week group study of the book.
