Empire Of Storms (Throne Of Glass)

Synopsis

Kingdoms collide in Sarah J. Maas's epic fifth installment in the New York Times bestselling Throne of Glass series. The long path to the throne has only just begun for Aelin Galathynius. Loyalties have been broken and bought, friends have been lost and gained, and those who possess magic find themselves at odds with those who don't. With her heart sworn to the warrior-prince by her side, and her fealty pledged to the people she is determined to save, Aelin will delve into the depths of her power to protect those she loves. But as monsters emerge from the horrors of the past, and dark forces become poised to claim her world, the only chance for salvation will lie in a desperate quest that may mark the end of everything Aelin holds dear. In this breathtaking fifth installment of the New York Times bestselling Throne of Glass series, Aelin will have to choose what -- and who -- to sacrifice if she's to keep the world of Erilea from breaking apart.

Customer Reviews

NO MAJOR SPOILERS! This series means SO much to me, but that doesn't mean I'm going to treat it any differently than other books I review honestly. I really didn't think I would give this more than 4 stars until the end totally changed everyyyyyything. First off, I would absolutely recommend reading *The Assassin's Blade* before this book if you haven't already! Most characters and locations from those novellas appear here. The story starts out with Aelin and her court heading north to Terrasen where they meet with a few potential supporters at an inn before trying to waltz into Orynth. Aelin is told that the Lords of Terrasen don't recognize her as queen and it's all very infuriating. She

swears that "no matter how far I go, no matter the cost, when you call for my aid, I will come. I'm going to call in old debts and promises. To raise an army of assassins and thieves and exiles and commoners." • Because war/annihilation is coming and Erawan is not messing around. So it's kind of like the breaking of the Fellowship in Lord of the Rings with how characters get scattered around on various missions and eventually come back together. And speaking of LOTR... you know how while everyone freaking walked across Middle Earth the story kind of meandered yet wasn't necessarily boring because the locations sounded pretty, little bits of action popped up here and there, and the characters were so wonderful that you'd be fine reading about them watching paint dry? The middle of this book reminded me of that. A surprising portion of this story is carried by the POVs of other characters instead of Aelin. That decision makes total sense in the end, but I was initially wondering why I wasn't connecting with her as much as I had in previous books.

Oh. My. Gosh. Wow.....I don't know where to start. First, let me start off with a story. Lol!! Almost eleven years ago, I was a fan of S.J. Maas when her story was first posted on fictionpress.com. I stayed up for nights reading the story she posted. Then, it was taken down....and for several years, I would periodically check online to see if her book had been published. It was just that kind of book. One that stayed with you for years, one that constantly came back in your memories. And then one day, I found it on ! I was ecstatic! When I read the first book in the Throne of Glass series, I was upset. It was different in many ways than the original story that I had read. But I persevered. I kept buying the next book as it would come out.....except I didn't let myself read them. Not until I had the first 4 books. Then.....I binged. Seriously....over a three day period, I read them all. And then promptly pre-ordered book 5! Finally!!!! After so many years of waiting!! Aelin Ashryver Galathynius is finally going home to Terrasen! Except....the homecoming wasn't exactly what she was expecting. But being Aelin, she rises to the occasion and accepts the challenge that is thrown at her with a grin and a swagger. From there, we get the adventure of a lifetime. Seriously. This book tops ALL of the others! I think Sarah Maas just gets better the more she writes. I was completely beside myself while I was reading every. single. page. There is so much that happens in this book, I don't even know what to say without providing spoilers. I'll do my best! Aelin and Rowan are amazing together. It's so sweet, and hot! Mannon has her own issues in this book, but Dorian is more than intrigued by the beautiful witch. Speaking of Dorian....wow.
