Forever locked between the two great arms of the Seine,sits one of,if not the greatest,of man's achievements;Notre-Dame.In a truly beautiful account of the behemoth's history,the author takes time to tell the human stories of joy,sorrow,death and intrigue.He also includes stunnning photos showing the true beauty of Notre-Dame.Own this true masterpiece.

This book is amazing. It is filled with history, design plans, and changes brought about by renovation and additions. I can not imagine finding a better book on Notre Dame then this one. I am going to Paris once again next month and this book has given me a new perception and ability to understaff and appreciate even more the beauty and genius of Note Dame.The seller gave me excellent service and the book was delivered three weeks in advance of the scheduled delivery date. This book was advertised as "used". It is hard to believe that when you look at the book. What a tremendous value for the price.

I have had this book on my list since visiting Notre-Dame while in Paris in July of 2010. I have seen it listed off and on in the past couple of year, but averaging around \$60.00 and going up to \$175.00 for a used edition. The book I purchased was very reasonable (\$38.00), in really good condition, and I received it promptly. I'm thrilled to have it! Very satisfied with the seller - definitely would recommend them!

Oh wow, I was so glad to find this book. We visited Notre-Dame this past Sept. 2013. The book is a compliment to our visit and gives us information about what we saw and what we missed in the visit. It's a wonderful edition to our library. Thanks! ;-)
