Customer Reviews

This book contains sheet music arrangements for piano and voice with guitar chords. This is an excellent compilation of what I believe to be some of Bob Marley's best work. In addition to the sheet music, the book features an introduction by Marley's daughter, black and white photographs throughout, and eight pages of colour photos. If you like playing reggae, this book is a must. Song List: Africa Unite; Belly Full (Them Belly Full (But We Hungry)); Coming In From The Cold; Concrete Jungle; Could You Be Loved; Easy Skanking; Exodus; Get Up Stand Up; Guava Jelly; I Shot The Sheriff; I'm Hurting Inside (Hurting Inside); I'm Still Waiting; Iron Lion Zion; Is This Love; Jammin'; Lick Samba; Lively Up Yourself; Mellow Mood; Natural Mystic; Nice Time; No Woman No Cry; One Love; Please Don't Rock My Boat; Redemption Song; Small Axe; So Much Trouble In The World; Soul Rebel; Stir It Up; Sun Is Shining; Thank You Lord; Three Little Birds; Waiting In Vain; Who The Cap Fits; Why Should I;

I bought this book looking for voice and piano parts as advertised. The book does not have a piano part. There isn't a bass clef in the entire book. The content is fine but if you need a piano part, don't buy this book.

It's a good coffee table book. My guitarist friends and I can play a lot of songs out of it. Even if you don't follow the strum pattern in it what you play still sounds good.

Met all expectations.

Songs of Freedom . I play keyboard and organ. My mate plays the guitar We have had a couple of "jam" sessions getting used to the beat. Its sounding good. We are also looking for similar books for Lucky Dube. If you can get music books for him, I would buy those as well.

I really enjoyed this book. If you are a new fan, as i am, you will find it a worthwhile. I'm still learning about Bob Marley, and this book was a great source of information.

very enjoyable just what i wanted

Awesome
