Customer Reviews

Beautiful printings, decent size, nice weight and feel. I purchased as a gift, and I think the recipient has yet to use them, but I'm sure she is just waiting for the perfect moment. I first saw these elsewhere with a much higher price, so I was happy to find on with free shipping.

Wish I had paid more attention to what I was purchasing. This came up when I searched for adult coloring books so I assumed they would be placements I would be able to color. They are not, which is a missed opportunity for an alternate sale. They are gorgeous and I will keep them for that reason, but I was so looking forward to a weekend of coloring them myself.

Beautiful variety, colorful. A little small in size. Sheets did not tear off with a clean edge every time.

Love these! Bright, colorful. Have ordered a bunch more for gifts and everyone loves them!

This is an absolutely beautiful product. Bright colors, beautiful paper, just gorgeous.

Beautiful design, made of quality, thicker paper, but too small. More suitable for children's plates.

They need an extra inch on each side to be perfect.
