Customer Reviews

I use sharpies for my coloring books and this paper is great for that. Unfortunately is is very hard to tear out the pages to color. Would have prefered the pages be perforated.

Like this color book. I bought it for a friend who left for Italy to go to school. She was so excited to get this. Said she would use it on the 8 plus hours flight. We both love the black paper it's 8.5" X 11". I use gel pens so she got so also. They show up great a lot better than color pencils. The paper is thick and one sided so they won't bleed through. There are 40 different designs. Swear words, surrounded by beautiful designs. Coloring is a great stress relief and very relaxing. Great fun. I will be buying more of the Swear word coloring books for gifts. The price is good and a good quality book. I recommend this color book to all who need a release and want to enjoy doing it.

Markers bleed outside of the lines. It's a fun book to color. If you do get this book I suggest using anything other than markers to color.

The book arrived on time and is exactly what I expected! I love it and plan to buy more once it's all colored :)

I love this book!! Passes time and kind of good anger management lol.

Timing was great and i love my book thanks

I love it can't wait to color in it
