What I like most about the PARACHUTE series is the author. If you don't know it already, it will be clear after reading this book, that Richard Bolles is PASSIONATE about job search and advancing careers. His passion for the subject shows up loud and clear in this latest installment in the series. It is easy to see why this series has been so wildly successful. This edition has updated suggestions on how to best use social/networking sites. In LinkedIn, for example, Mr.
