Scenic Catskill Mountains 25 Photographs To Color: Adult Coloring Book (Adult Coloring Books) (Volume 7)

Synopsis

Meditation for the brain -- allow coloring to soothe you. This is Landscapes grayscale coloring Volume 1. Volume 2 is Lakes and Streams. Volume 3 is Scenic Iceland, Glaciers and Geothermal Fields! Grayscale coloring books for experienced colorists or those looking for a new challenge. Are you one of many who have rediscovered how relaxing it is to color in adult coloring books? If you've ever wanted to visit the Catskill Mountains of New York, now is your opportunity to experience their beauty with Scenic Catskill Mountains: 25 Photographs to Color. Check out my video on my author page to see ALL my coloring books or my youtube channel Grace Brannigan Author for videos showing all the photographs inside. We have included 25 original grayscale shaded photographs of places in the Catskill Mountains. These are original photographs taken by the author and grayscale technique is applied so you can do your coloring magic. Please also check out Volume 2, Lakes and Streams! Also included are the full color photographs themselves to guide you as you color. Beginner colorists can easily create beautiful art following the shading in the images, while more advanced colorists can add depth, shading and detail. Whatever your level of experience, the end result will be your own unique piece of art. Each picture is printed on one side only so you don't have to worry about bleed through to the back. Use your favorite crayons, colored pencils, markers, glitter and gel pens and frame your art when it's colored to your satisfaction. We have included some of the most eye catching Catskill Mountains scenes of lakes, pristine fields, snow-capped mountains, the reflections of Autumn leaves on the water and glorious waterfalls. De-stress, relax, enjoy and color to your heart's content. 25 photographs from the land of the legendary Rip Van Winkle. A wonderful gift for yourself or that someone special.

Customer Reviews

My first book of gray scale pictures. It is challenging and fun, with amazing results after some practice.

This was my first grey scale coloring book and I am enjoying it. Pictures are beautiful.

Can't wait to start coloring these really nice pictures! I just wish that 60# paper was used along with perforated pages for clean removal:)
