# White Christmas: Decorating And Entertaining For The Holiday Season

## Synopsis

Everyone knows that the best Christmas is a white Christmas—a traditional celebration with snow capping the eaves, a fire roaring in the fireplace, and a mistletoe ball hanging in the doorway. Tricia Foley, best-selling author of *Having Tea*, *Linens and Lace*, and *The Natural Home*, brings back the magic of the time-honored customs, along with her own white-on-white decorating style, to create the kind of Christmas that will make treasured memories for years to come. With ideas for every room of the house, Foley shows how to borrow from the colors of nature in winter 'pure white and evergreen' to dress up the house for the holidays. She includes simple yet timeless suggestions for draping greens over the bed canopy, hanging all-white stockings of every size and fabric, lighting with votive candles, candelabra, and sconces, and wrapping with handmade papers and raffia ribbons. For entertaining, *White Christmas* presents the perfect Christmas tea, with snowy linens and homemade scones. Helpful tip boxes cover Christmas lore, favorite tales, and Christmas crafts, and a resource section provides useful lists of addresses, related books, and holiday songs. For anyone who wants to make the most of the holidays, Tricia Foley's *White Christmas* is the ideal holiday decorating and entertaining companion.

## Customer Reviews

This book was full of beautiful snowy white Christmas pictures. More pictures than projects, more of a decorating book. A lovely coffee table book, especially during the holidays.

Darling book filled with inspirational photos. If you are really into white, you will love all the fun ideas to try. It is one of those books you look at again and again for the beautiful pictures.

This book was written in the late 1990s so I knew the photography was'nt going to be as current as what is now seen in books and magazines, but I was still pleased. It reminded me that white never goes in or out of style, and, including myself, has always had a devoted following. If you like the idea of a white christmas inside as well as outside, and want a book that captures that lovely timeless color, you too might enjoy this copy. So settle in with a hot cup of tea and a snugly warm blanket by the fire and enjoy the pretty pictures of Tricia Foleys white christmas.

This book didn't give many new ideas , but is a very nice book for people who like to decorate for Xmas in a country nature setting. I love all of Trisha Foleys books, but this one just wasn't as intereresting to me as her others that she wrote for Victoria magazine. Makes a nice coffee table book to set out during the season.

I love everything that comes from Tricia Foley, I know there is a new one but it said you don't ship to Colombia, could I order it through my P.O. Box in Miami? I have: LINENS AND LACE - TEA - THE NATURAL HOME - WHITE CHRISTMAS. Thank you very much.
