## **Customer Reviews**

I don't really use calendars so I bought this for the amazing photos. I am selling my house and needed something to depersonalize the decor. I bought this to put in my picture frames. The final result is fantastic. Will post photos.

I bought this calendar as a gift. The pictures were stunning; and they seemed to draw you in and make you want to go and see for yourself the beauty of these parks. The calendar will be a neat reminder of the beauty of our parks all year long.

Nice, pretty calendar BUT - right next to the item name the screen says 1 July 2016 which led me to believe it began on that date and was an 18 month calendar. I guess I should have just gone to a local store so I would SEE what I was buying. We need the calendar to begin NOW, not in January. But we like it and will keep it.

I have one 2017 calendar at work and the other at home. Already have three events scheduled in

2017.

Beautiful and sturdy calendar. Looking forward to the year

Beautiful pictures and easy on the eyes.

Though a bit costly it looks very good.

Beautiful calendar
