## Customer Reviews

*My Elizabeth* by Firooz Zahedi was released in 2016. A fantastic book about Elizabeth Taylor, featuring exclusive photographs of her and her private life. Special favorites are of her frying chicken, and at the wheel of a pickup. Nice to see her with her pets also. Fans of Elizabeth Taylor will love this the most.

What a fantastic book! This is not merely a picture book, although the pics are very personal and

plentiful. The story is one from the heart of a very close friend, and provides insight into one of the world's last film legends. A bawdy, lovable woman that lived an amazing life. I have thoroughly enjoyed Zahedi's homage to Elizabeth Taylor, and highly recommend it.

A wonderful collection of intimate photographs, beautifully bound. It's a good read as well. Highly recommend!
