Customer Reviews

Son has been playing trumpet for only a year. I bought hoping it would inspire some playing during the summer. Sadly, this did not. It was very difficult for him to read the music. Perhaps when he gets better, he will love it as he loves Harry Potter. The CD was a bonus and he enjoyed listening to it.

Fingers crossed he will be able to play it eventually!

Bought this for my daughter for xmas and she absolutely loves it. We also got her the piano book and is actually using it in her lessons. perfect gift

Fun to play. Skill level is accurate.

Songs are good and easy to play.

Easy for my grandson to follow.
